DECEMBER

Receive 10% savings on all online, phone, and in-store purchases!

Spend \$200.00 or more Online and receive FREE SHIPPING!

How Many Uniforms Do I Need????

We are asked this question many times during fitting season.

The answer is not always the same for everyone. . . things to consider are . . .

- How often do you do laundry?
- Does your son/daughter have a lot of after school activities? (uniforms are sometimes forgotten or kids get home too late to launder a dirty uniform)
- Does your child spend considerable time at more than one household?

Remember that your child wears his/her uniform five days a week for 8 – 9 months of the year. Their uniform is probably the most worn and laundered item in their entire wardrobe!

With that in mind, we strongly recommend that you purchase at least two or three plaid items for your daughter and at least three pair of pants for your son. Most children will need three to four polo shirts for the year as well.

Up to 5% of all sales are donated back to your school!
